

HTML

Assignment01

Q1. Create a page named aboutme.html that describes you. On your page, include some or all of the following information:

- a. Your name in italic and underline and size should be 25px.
- b. Print your college name in bold and text color should be green and font should be Calibri.
- c. A description of yourself in a paragraph. Emphasize the most important word(s) by putting them in bold. Use html entities somewhere for spacing.

Q2. Print the squares of the numbers 1 - 10. Each number should be on a separate line, next to it the number 2 superscripted, an equal sign and the result. (Example: $10^2 = 100$)

Q3. Print a paragraph that is a description of a book, include the title of the book as well as its author. Names and titles should be underlined, adjectives should be italicized and bolded.
